PLEASE REVIEW THE FOLLOWING AND SIGN AT THE BOTTOM

- I understand that there is always an adjustment period for any foster cat coming into my home. There is no specific time limit for an animal to be in foster care, and I am willing to work to make this foster cat a member of my family during his/her stay. I understand that many of these cats have survived tremendous odds and needs lots of TLC. I understand that NCR cannot be held responsible for the actions, behaviors and/or medical condition of all the cats in its rescue. I agree to assume the risks implicit in working with cats who may have been abandoned, beaten, or otherwise mistreated or abused, or who may suffer from an illness, condition or disease. Although NCR evaluates cats prior to accepting them into its rescue, they cannot guarantee the temperament of any of the animals since most of their histories are unknown.
- I understand my foster cat is to stay indoors only at all times.
- I understand that NCR reserves the right to check on the welfare of any foster cat on my premises, and to reclaim both possession and ownership without payment of any kind. In the event that I do not comply with the foster guidelines and NCR reclaims any foster cat from me, I waive claim to trespasser.
- I understand that NCR must approve all adoption applications, so I will not promise anyone that they can adopt my foster. Of course NCR will be happy to receive adoption referrals and recommendations. If you are considering adopting your foster yourself,

NCR would discuss any serious applications with you before placing the cat in another home.

- I understand that cage space at PETsMART is not always guaranteed or immediate and that it may take time to place my foster cats at one of NCR's PETsMART stores for adoption.
- Once NCR puts money into a foster cat, the cat must be adopted out through NCR with our application, contract, and adoption fee. If I choose to not follow these guidelines and procedures, I will be held financially responsible for the foster cats in my care, including reimbursing NCR for veterinary fees.
- I have accurately completed this application and all information stated is correct. I have read the application and program description on this form in its entirety and understand the risks involved in working with these cats. I also agree that if the information given on this application is not accurate to the best of my knowledge, I forfeit all rights to any and all foster cats residing in my care (Please sign, print and date this form).
